

Sponsorship Proposal to 7th ICASEE-24

Tishk International University:

Tishk International University was established in 2008 in Erbil. The University has created Dentistry, Economics and Administrative Sciences, Engineering, Science, Education, and Law Faculties, which require high expenses. It has enforced the budget to provide educational and research centres at modern university standards.

Tishk International University has been awarded **ISO 21001:2018** certificate by Bureau Veritas Certification Holding SAS-UK Branch. It is worth mentioning that all of the departmental bachelor programs (21 Departments) are accredited by international agencies.

In its January Edition 2023, **Webometrics** ranked Tishk International University (TIU) **FIRST** among all private universities in Iraq and the Kurdistan Region. Moreover, TIU has maintained its **THIRD** position among all universities in the Kurdistan Region but has moved up to rank 15 among all universities in Iraq. On a global scale, TIU is now ranked 3166 as opposed to 3333 in August 2022.

Further, considering the **TRANSPARENT RANKING: Top Universities by Citations in Top Google Scholar Profiles for January 2023**, Tishk International University ranks **FIRST** among private universities in Iraq and the Kurdistan Region, 5th among public and private universities in the KRG, and 20th among Iraqi universities.

Tishk International University, with 5000 students and 505 staff from seven different countries, has an international position among local universities where cultural interaction takes place. In addition, Tishk International University prioritizes research to promote knowledge, contribute to science, support learning, and improve social interaction.

Salahaddin University-Erbil

‘Mother University’ is the nickname locally given to Salahaddin University-Erbil for being the oldest and most comprehensive public university in the Kurdistan Region, Iraq. The name sums up the status of the University for being the main supplier for graduates, scholars and academic staff in the Region.

The institution, which has now become Salahaddin University-Erbil, was first founded in 1968 in Sulaimani, and later in 1981 moved to Erbil, the capital of the autonomous Kurdistan Region, and the name was changed to Salahaddin University-Erbil.

Now located near the ancient citadel of Erbil—one of the oldest continuously inhabited cities in the world, estimated to be 7000 years old, SUE is the educational home to more than 25200 undergraduates and 676 graduate students. It offers over 85 undergraduate majors and award degrees at the certificate, bachelor, master and doctoral levels.

The programs include Engineering, Science, Law and politics, Agriculture, Business and administration, Physical Education, Arts and Sociology, Fine Arts, Languages, Religion, and Teaching Methods.

In the academic year of 2019-2020, the Bologna process was applied to the academic programs of first-year students. The academic year at SUE starts in September and ends in July and the credit system at Salahaddin University-Erbil is a unit-based system.

Salahaddin University-Erbil has more than 2074 academic staff and 3500 employees in administration and professional staff. The University's instructional, research and service missions reflect the needs of the respective geographic areas.

The University also serves statewide, national, and international needs by offering consultancy, educational and research activities in communities throughout the country and through research and training exchanges and worldwide partnership programs. In this way, Salahaddin University-Erbil has enriched the cultural, political, and industrial sectors of Kurdistan for four decades, playing a major role in advancing Kurdish society. SUE usually ranks among the top universities in the national rankings.

For more than 45 years, SUE has been home to talented scholars, artists, writers and others who have been drawn from all over the world to teach, perform, create, and study.

About 7th ICASEE-24 (International Conference on Applied Science, Energy and Environment):

The 1st International Conference on Ecology, Environment and Energy (ICEEE 2014) was organized by Tishk International University. It was one of the biggest and key conferences in the region.

Then, Tishk International University and Salahaddin University jointly organized the 2nd International Conference on Ecology, Environment and Energy (ICEEE 2015), and 3rd International Conference on Ecology, Environment and Applied Sciences (ICEEAS 2016), 4th International Conference on Ecology, Environment and Applied Sciences (ICEEAS 2017), 5th International Conference on Ecology, Environment And Applied Sciences (ICASEE 2018). Then, Covid-19 showed up all over the world, and science gave a break and focused only on Covid-19 and some other types till the end of 2021.

The faculty of Education at Tishk International University organized an international conference dubbed “6th International Conference on Applied Sciences, Energy and Environment”, on the 25th and 26th of March 2022, which the main sponsor sponsored, Khoshnaw Group of Companies and the sponsor companies Sidra Almontaha and Clever Scientific.

On the first day of the conference, a special dinner was organized in honour of the main keynote speaker Prof. Dr. Marwan Mousa. The honourable Assist also graced the dinner. Prof. Dr. Idris Hadi, the chairman of the board of trustees of Tishk International University, Asst. Prof. Dr. Mehmet Ozdemir, vice president in charge of academic affairs, and various heads of departments and other invited guests.

The conference's main events occurred on the 26th, where 6 keynote speeches were delivered. The conference was declared open by Assist. Prof. Dr. Abdul Samad, the president of TIU, made his opening remarks, followed by the conference chairman, Dr. Orhan Tug, who gave highlights of the conference and welcomed guests and participants. The main keynote speaker, Prof. Dr. Marwan Mousa, delivered his remarks on campus, whereas the other 5 keynote speakers delivered their remarks online concurrently in various halls. The conference attracted many speakers both online and on campus. About 200 participants registered for the conference from various countries including Algeria, Georgia, India, Malaysia, Nigeria, Pakistan, and the United Arab Emirates. There were 64 accepted abstracts, 38 paper presentations, with 9 online presentations.

The deadline for submitting the full-length papers is the 20th of April 2022. The selected papers will be published in the ARO-The Scientific Journal of Koya University and the Eurasian Journal of Science and Engineering (EAJSE), the journal of Tishk International University.

Finally, the conference co-chair gave closing remarks and a vote of thanks and declared the conference closed by taking the commemorative picture.
